Price Increase Notice 2018

To All Customers,

Despite ever increasing costs of chemicals and various other necessities, we have managed to keep our prices the same since 2016. Unfortunately, this is no longer sustainable for us so we need to increase our minimum process charge. For jobs that exceed the minimum charge, parts will need to be requoted for. We will call you regarding any changes we make to the prices when the parts are with us. From the 1st August 2018, the minimum process charge will be as follows:

Gold/ Silver Plating

The minimum process charge will be £135 with either a Certificate of Conformity or a Delivery Note.

Electroless Nickel/Hard Chrome/ Bright Chrome/ Chromic Acid Anodising/ Hard Anodising

The minimum process charge will be £110 with either a Certificate of Conformity or a Delivery Note.

Bright Nickel/ Dull Nickel/ Copper/ Tin Plating
